Everest Heli Tour - 5 Hours

Everest Heli Tour, one of the most exotic and lavish experience of immersing in the Nepalese Himalyas through the Helicopter. Everest located within the Sagamartha National Park. It is home to unique wildlife (flora and fauna) and Sherpa (ethnic) Buddhist communities. For many, the trek itself is the destination. But for some of us, we are not so able to spend the energy or time to trek for two weeks to reach EBC. This Everest Heli Tour, takes you in the lap of Mt. Everest. With the powerful B3e series helicopter, we can take up to 4/5 of you to Everest Base Camp.
